McKee Foods announces the return of Drake's® Fruit Pies

Fan favorites back in time to celebrate 50 years of fresh, delicious taste

COLLEGEDALE, Tenn., (August 1, 2014) — Happy 50th birthday, Drake's® Fruit Pies! (You don't look a day over delicious!) Two more fan favorites make their return the week of August 4, as McKee Foods Corporation returns Drake's® Fruit Pies to the Northeast.

Available in apple and cherry, Drake's® Fruit Pies are a classic taste that evokes memories of childhood and snacks at the kitchen table. Drake's® Fruit Pies are freshly made and delivered to neighborhood stores to ensure a delicious taste experience every time.

“Since bringing the Drake's brand back to consumers in 2013, we have heard from loyal Drake's fans that Drake's® Fruit Pies should be a high priority for us to bring back,” said Chip Stenberg, Drake's associate brand manager. “As with all Drake's® products, we insisted on delivering the consistent quality Drake's fans deserve as opposed to rushing them to market. The result, we believe, is a family of fruit pies worthy of the Drake's® brand.”

Fans of Drake's® Fruit Pies will easily recognize their favorite brand with its distinctive twin-packed square pies. Have one now, save one for later — or share with a friend.
